# Fattorini

Britain's most  
experienced badgemaker

These fine badges  
identifying schools,  
houses, clubs, etc  
by Thomas Fattorini  
continue to be  
made in enamels  
on metals – simply  
because this ancient  
technique remains  
unmatched for its  
beauty, distinction  
and permanence.  
Needless to say,  
production methods  
have evolved  
somewhat since the  
time of the Pharaohs.

We are always glad  
to submit designs  
and estimates  
without charge.

To assist our artists,  
give details of any  
special motif, motto  
or coat-of-arms you  
wish to include.

lively, colourful items  
is now a real craze  
in some quarters . . .
